

Our Mission

To impact the lives of young people by providing educational programs that promote character, instill life-enhancing values and promote healthy choices through the game of golf.

At First Tee Eastern Michigan we believe every kid deserves the chance to build inner strength before the world demands it, to find the joy that comes with feeling confident in their own skin before the world makes it feel impossible, and to access experiences and spaces where personal growth happens. We exist to enable kids to build the strength of character that empowers them through a lifetime of new challenges.

For kids, we are a **mentor who helps them write their personal growth story.**

For their parents, **we partner to facilitate the personal growth of their kids.**

And for donors, **we are a collaborator on an Important mission.**

Your generous donations will help:

- * **Financial assistance to low-income families**
- * **Recruit & train additional mentors & coaches**
- * **Purchase equipment & supplies for our classes**
- * **Continue expansion of First Tee programming**

In 2020 we reached over 6,000 students in our service area including Genesee, Lapeer, Tuscola, Saginaw, Bay and Midland counties.
